Graduate Studies in Physics & Astronomy at Appalachian State University

www.physics.appstate.edu
Department of Physics and Astronomy:
www.physics.appstate.edu; (828) 262-3090
Graduate Coordinator: Dr. Sid Clements
clementsjs@appstate.edu; (828) 262-2447
PSM Coordinator: Dr. Chris Thaxton
thaxtoncs@appstate.edu; (828) 262-6836
Information on PSM: www.sciencemasters.com

Application Deadlines:
Feb. 1  Eligibility for the Chancellor’s Scholars Award.
Mar. 1  Eligibility for Full assistantships.
Mar. 31 Eligibility for the Alumni Fellows Scholarships
Jul. 1  Last-minute applications due.
       Assistantships may still be available.

Faculty Research Areas:
Applied electrostatics
Applied physics
Astronomy
Astrophysics
Atmospheric & space physics
Atomic, molecular, & optical physics
Chemical physics
Computational physics
Energy & environmental physics
Engineering physics
Geophysics & remote sensing
Instrumentation & automation
Materials science
Nanosciences
Physics education

Appalachian State University
